ADDITIONAL INFORMATION

Many visitors to the Blue Mountains spend time at Scenic World. Although Scenic World is recommended if budget and time allows, but we also believe that it is worthwhile spending time in other areas of the Blue Mountains other than Katoomba and highly suggest the Megalong Valley and Blackheath. If Scenic World is your preference then simply swap the Blackheath and Medlow Bath component of this itinerary for the time at Scenic World.

We also highly suggest that more than one day should be spent in the Blue Mountains to fully appreciate this stunning area and its diversity.
