VENICE TWO DAY ITINERARY

DAY ONE

TIME	ACTIVITY
------	----------

Morning Arrive in Venice.

10.00 - 12.15 PM [Free Walking Tour](#) - Introduction to the City

NOTES

Remember to pay a tip at the end of the tour. I recommend [La Bussola](#)
See NOTE below.

12.20 - 1.20 PM Enjoy lunch at a traditional restaurant

NOTES

Choose a restaurant away from the tourist areas. It will be better quality and more authentic.

1.30 - 2.45 PM [Gallerie dell' Accademia](#)

NOTES

Located in the same area - as an alternative visit the Peggy Guggenheim Collection, housed in a beautiful villa

3.00 - 5.20 PM [Free Walking Tour](#) - Main Landmarks

NOTES

I recommend [La Bussola](#). Walking time to meeting point should be less than five minutes from Gallerie dell' Accademia

BUDGET TIP: Do not eat anywhere in St Mark's Square if you are on a budget. A coffee could set you back €12!! In other areas you might only pay €2 for an espresso.

DAY ONE CONTINUED

	TIME	ACTIVITY
NOTES	5.30 - 6.30 PM	Explore Palazzo Ducale (Doge's Palace) Prebook tickets online if travelling in peak season. Combo ticket allows entry to Museo Correr, Museo Archeologico Nazionale, Monumental Rooms of Biblioteca Nazionale Marciana.
NOTES	6.30 - ONWARDS	Indulge in Cicchetti before dinner Your tour guide will have a list of recommendations.

NOTE: You will notice that two free walking tours are included. Venice needs time to explore to see it properly. It is extremely busy throughout the day. By joining both walking tours you will see outside the main area of St Mark's Square initially, and then the main areas later when the crowds have subsided.

TIP: Avoid St Mark's Square during the day. Instead explore early morning, or stay out late. The Square is beautiful at night, with music playing and few people.
